Special Access Grant Criteria:

The CFA VESEP Statewide Steering Committee is aware that for reason of remoteness and small communities many Brigades are unable to raise the necessary contribution for a VESEP project. For this reason, the Committee welcomes applications to assist brigades in acquiring replacement or new equipment, upgrading brigade amenities or to undertake minor upgrades to their station.

The Criteria for Special Assistance Grants are:

1. Is the proposed project operationally justified;
2. Vehicles:
 - Is the existing tanker greater than 20 year's old?
 - Is the proposed vehicle considered to be high priority?
 - Is the existing Field Command Vehicle greater than 5 years old?
3. Equipment, Volunteer Amenities or Minor Works
 - Is the item of equipment or station improvement critical for the Brigade operation?
4. The brigade is unable to fund the required brigade contribution

Brigades are to indicate their nominated contribution amount, if any, for a project.
